Are you a recent graduate with a first professional experience aiming to work in the world of real estate and retail while developing your skills in corporate and market finance? Kick start your career in a truly international group by joining the Investor Relations Department of one of the leading players in European real estate.

**This is a permanent position to be filled as soon as possible.**

### **What you can expect from the job**

As an Investor Relations Officer, you will be part of a team whose mission is central to synthesize the Group's strategy and to communicate it to the financial community. You will keep the market abreast of the Company's objectives and performances, while building trust-based relationships with stakeholders. This position will give you an overview of how listed companies operate. You will be involved in key projects, working across all departments, both financial and operational.

### **Key responsibilities**

As part of a team of four and in liaison with the Executive Board, you will report to the Head of Investor Relations.

Your main duties will revolve around the following areas:

- **Financial communications**
  - > Preparing written financial communications materials for major events (earnings presentations, press releases, roadshows, etc.);
  - > Coordinating the preparation of the Universal Registration Document and the General Meeting of Shareholders;
  - > Issuing financial information to the market using the appropriate tools (GlobeNewswire, Wiztopic, etc.);
  - > Managing the finance pages of the website;
  - > Helping draft the Group's non-financial communications materials (sustainable development criteria, ESG roadshows, etc.);
  - > Monitoring financial communications regulations.
  
- **Investor relations**
  - > Market intelligence, prices and research notes (summary, peer monitoring, etc.);
  - > Preparing and managing analyst consensus;
  - > Preparing (including targeting investors) and participating in roadshows and investor conferences;
  - > Analyzing investor profiles and updating the shareholder database.

- **Industry analysis**

- > Competitive intelligence on the Klépierre Group's peers and on the real estate sector;
- > Analyzing the key performance indicators of the business, the shopping center and retail industries.

As part of your role, you will work closely with all the Group's financial and operational teams.

### **What we expect from you**

- **Education and experience**

A finance graduate from a leading business school or university, you have already gained some experience (including internships) in finance or strategy (investor relations, equity research, banking, auditing, consulting, financial control, etc.).

Experience in the real estate, finance or retail industries is a real plus.

- **Technical knowledge and skills**

- > Strong general finance knowledge (financial analysis, financial markets, valuation);
- > An excellent level of written and spoken English is essential;
- > First-rate writing skills;
- > Strong team player and ability to drive projects;
- > Proficiency in Microsoft Office.

- **Personal qualities and soft skills**

- > Highly disciplined and excellent attention to detail;
- > Ability to pull together complex information;
- > Responsiveness and ability to work independently;
- > Great interpersonal skills and team spirit;
- > Discreet and diplomatic.

The ability to speak, write and understand French is mandatory for this position.
